

Project Name: Juniper Springs Road Road Reconstruction
Control No: L200471
County IFB No: 19-20-003

To whom it may concern,

The active bid for above referenced project has been cancelled due to new information regarding an existing AC waterline. It is likely that the existing line is indirect conflict with the proposed scope of work. Once more information is available, this project will be re-advertised.

We thank you for your patience and interest in our project.

Sincerely,

Pettigrew & Associates, P.A.
